

# SPONSORSHIP *Opportunity*

Dear Potential Sponsor,

I hope you are doing well. I am honored to represent the Building Futures Foundation, a beacon of hope and opportunity for individuals pursuing careers in the building industry.

At Building Futures Foundation, we believe in the power of education and skill development. Our mission is simple: to support and empower aspiring builder industry professionals by providing scholarships and tool grants to help them cover the costs of their education and training. In 2023 alone, we awarded \$28,000 in scholarships and tool grants, enabling ten individuals to take their first steps toward fulfilling careers in the building industry.

While we are proud of our history of giving, as we set our sights on the future, we plan to provide increased scholarships and grants and expand our impact on the community. This includes a goal of \$10,000 to support CTE programs and workforce development initiatives in our community this year. Your support is crucial to our success.

We are excited to invite you to sponsor our annual "casino night" fundraising event on August 2nd, 2024, at the Royal Oaks in Vancouver, Washington. Your contribution will not only benefit our Scholarship and Tool Grant fund but will also directly impact the lives of students and small businesses in our region. Together, we can create opportunities, foster growth, and build a stronger, more vibrant community.

I extend my heartfelt gratitude for your consideration and support on behalf of the Building Futures Foundation and myself. Your partnership is invaluable to us, and we look forward to the positive impact we can make together.

With warm regards,

The Building Futures Foundation Committee
